After all . . . you'll be here anyway . . . so why not make the most of it?

With most companies and organizations demanding reduction in expenses these days and so many of your co-workers, clients, colleagues, partners, associates and others coming to our event, doesn't it make sense to have your annual or semi-annual meeting at the same time as our seminar since you will be here anyway? As a leader in holding business meetings, conferences, conventions, family reunions, weddings, trial prep sessions, military reunions, church events, or most any type of group function, you couldn't ask for a better venue than the Disneyland Resort for any group meeting.
